

Canada-Ontario Job Grant (COJG)

Information Sessions

Attention!

You could train your staff for little or no cost?

Let's discuss Exciting COJG Program Changes!

Come and learn more about this program and how it can help you train your existing employees or hire a new employee with the certification or skills that you require. Avoid layoffs by offering training to your current dedicated labour force and employ them year round. Learn about how this grant is already working to support other employers in our town.
