1. As part of the Ministry of Health and Health Canada, you are agreeing to participate in a 'Supervised Self-Screening Program' for workplace employee screening. 2. The Screening Kits provided by the Southern Georgian Bay Chamber of Commerce to you are provided free of charge, on an 'as-is' basis. Other than any warranty provided by the manufacturer, the Chamber disclaims any and all representations, warranties and conditions, whether express, implied, written or oral, in relation to the Screening Kits, including fitness for use for any particular purpose.

3. The Chamber of Commerce is bound by the Freedom of Information and Protection of Privacy Act (Ontario) and that any information provided to the Chamber and the Town in connection with the Program may be subject to disclosure in accordance with that Act.

4. You MUST:

a. Ensure that the Screening Kits are:

- i. Used only for the purposes of the PASP (Provincial Antigen Screening Program).
- ii. Not resold or distributed to any other person.

b. Report ALL data regarding results of the Screening Kits EACH WEEK at <https://southerngeorgianbay.ca/workplace-screening/workplace-screening-reporting>. Failure to do so will result in future inability to participate in the program.

c. In providing COVID-19 point-of-care antigen testing to individuals using the Screening Kits at your site, ensure compliance with all applicable laws, provincial or federal directives, and provincial or federal guidance, including:

- i. Ministry of Health COVID-19 Guidance: Considerations for Rapid Antigen Screening.
- ii. Public Health Infection, Prevention and Control (IPAC) guidelines

d. Supply, at your own cost, the appropriate human resources and all equipment and supplies (other than the Screening Kits themselves) required to perform the COVID-19 point-of-care antigen testing using the Screening Kits at your site.

e. Ensure that the person Supervising the COVID-19 rapid antigen testing using the Screening Kits at your site, has participated in the training offered at the pickup site. (Suggestion is that the Health and Safety designate be appointed as the Supervising Screener).

5. This agreement comes into effect upon execution and shall expire on March 31, 2022, unless terminated earlier in accordance with this section. The Chamber of Commerce Brantford-Brant reserves the right to terminate this Agreement upon written notice to you if you fail to comply with any terms of this Agreement. For clarity, if the agreement is terminated, you shall no longer be participating in the PASP and shall not receive any further access to Screening Kits.

6. This agreement is made under and shall be construed according to the laws of the Province of Ontario and the laws of Canada applicable therein. WAIVER AND RELEASE: On behalf of the Workplace, the undersigned waives any and all claims against, and releases and further discharges, the Southern Georgian Bay Chamber of Commerce, their directors, officers, employees, agents, assigns, legal representatives and successors from all manner of actions and causes of actions, by reason of any damage, loss or injury to person and property which has been or may be sustained in the future as a consequence of participating in the Provincial Antigen Screening Program (PASP).
